Speech: Your Native Country

Prepare a brief speech for your class about your native country. Try to answer these questions in your speech. Add more information too. Practise with a small group before you present your speech to the class. You may use note cards, but do not read your speech.

1. Where is your country (hemisphere, continent, in relation to other countries)?
2. What is its population?
3. What is the capital city?
4. What kind of currency is used?
5. What languages do people speak?
6. What seasons are there? What is the weather like?
7. What kind of government is there?
8. What religions are practised?
9. _____
